

**Nicole Adams**  
**Montana Kennels (NZ)**

I was born into the dog world and have been showing since I was 4 years old.

My parents successfully bred, exhibited and Field Trialled Labrador Retrievers.

In 1992 at the age of 20 I obtained my first pedigree Bull Terrier, and so began my love of this wonderful breed. In 1994 I bred my first litter under my Montana Prefix. Since then, I have bred, owned and/or exhibited Several Speciality best and reserve in show winner's and multiple to their New Zealand Championship title. I also share my home with several Australian Terriers of which I also breed and exhibit. Both of my breeds have been highly placed at All Breeds Championship shows of which I am proud off.

In July 2021 I was approved to Judge Terriers at Championship level which has been a huge honour.

I was lucky enough to judge my first Terrier Group shortly after and then privileged to judge The Hawkes Bay Terrier Specialty in December 2021

It was also an honour to judge The Terrier Specialty for the West Australian Terrier Club Inc, I had 115 Terriers this included 19 Bull Terriers and 18 Bull Terrier (Miniature)

During my years I have been involved in many clubs, where I have played an active role. I have over the years held positions as President, Vice President and Secretary for the Canterbury Combined Terrier Club, Canterbury Bull Terrier Club, am still currently President for the United Bull Breeds Assn. and am also secretary for All Breeds Club – Canterbury Junior Kennel Society.

I continue to promote the breed and always enjoy piloting a Bull Terrier round the ring, along with my Australian Terriers.

I have just recently added my second group to my resume and am now qualified to judge Non-Sporting Group.
